

How to activate eBiznes WEB

- 1. Open eBiznes web in the link: https://ebiznes.vodafone.al/
- 2. Enter your credentials that you have received by email.
- 3. If you are using eBiznes only through the web browser, you can use your existing printer by connecting your computer and printer with an external cord.

**Web version supports printers with paper formats of: 58 mm or A4.*

**If you are not the system Administrator, the device needs to be authorized by the Administrator before you can access your account on the web version.
